Dear Well-wisher,

"It's all about research theory which we innovate and using."

It's been from last 2 years, we are in research field and doing well. It's all because of your blessings.

In the month of March 2013, we have generated a return of 25.5% (percent) on investments and a 19.35% return on capital. (Assuming capital to be Rs. 5, 00,000/- where we used Rs. 3, 80,000/- as a margin of FNO segment)

Market return was flat in the month of March (March 28th closing was 0.80% Positive from February 28rd).

So we would like to thank you all and invites you to be the part of our research family.

Kindly view the performance sheet, given below.
